Your Takeaways

- An increased Understanding of Yourself through assessments, peer feedback, and 1:1 coaching.
- A fully articulated Leadership Mandate, which includes the vision and actions necessary to move your part of the business to the next level of performance.
- Perspective and techniques for Influencing Outside of your Function and dealing with Organizational Politics, Trust and Work Styles.
- An approach for utilizing your Authentic Self when influencing the business and leading your team.
- A Simulated Experience as a member of a fictitious yet realistic CIO team.
- A Network of Peer Technology Leaders who can serve as trusted advisors and peer coaches for years to come.
- A Personal Plan for guiding your development as a leader going forward.

STELLAR HIGH-POTENTIAL TECHNOLOGY LEADERS

An innovative and practical workshop that will make a difference in your performance and career.

- Exclusive to leaders in the field of technology.
- Interactive and engaging through team simulations, feedback and coaching.
- Based on and related to technology leader challenges.
- Exposure to the brightest minds from other great companies.

Making A Difference For Participants

“This was the most useful and dramatically impactful business learning session I have ever attended. It far exceeded my expectations and it captured the principles and the essence of business leadership with abundant insight and practical knowledge. It was highly interactive and fun. The facilitators are true masters at this craft, and they’ve been there before.”

Dir Application Development, Logistics

“Awesome experience! The workshop was rich in thought-provoking discussions, intensive self-discovery and invaluable feedback. I walked away with a greater understanding of where I am as a leader and where I want to be... but even more importantly, how to get there.”

Sr Technical Manager, Retail
