## Your Takeaways

- An increased Understanding of Yourself through assessments, peer feedback, and 1:1 coaching.
- A fully articulated Leadership Mandate, which includes the vision and actions necessary to move your part of the business to the next level of performance.
- Perspective and techniques for Influencing Outside of your Function and dealing with Organizational Politics, Trust and Work Styles.
- A full understanding of your Authentic Self and use it to create your personal mission, career vision, and plans for a balanced life.
- A Network of Peer Women Leaders who can serve as trusted advisors and peer coaches for years to come.
- A Personal Plan, serving as your guide for moving into a leadership role and preparing you for greater responsibility.

# STELLAR WOMEN LEADERS

An innovative and practical workshop that will make a difference in your performance and career.

- Exclusive to emerging women leaders.
- Interactive and engaging through team simulations, feedback and coaching.
- Based on and related to realistic leader challenges.
- Exposure to the brightest minds from other great companies.

## Making A Difference For Participants

“Overall, it gave me much more insight into who I am and who I want to be as a leader. The program also gave me additional confidence and renewed conviction to show myself as a leader and to be intentional about it.”

Data Product Manager

“This workshop was the most helpful training session I’ve ever attended. I’ve already created a vision for my team and have started taking baby steps to show progress. I feel so much more confident coming to work each day. I’m also grateful knowing I have a new group of women I can reach out to at any time.”
