Stellar Leader-360 Survey
TKI Conflict-Handling Modes

I have had the benefit of attending our company's front-line manager training and this workshop was more impactful. The Leadership 360 was one of the most insightful parts, especially given the data gave me different perspectives of how my peers and the larger audience see me."

Project Architecture Manager

The best part of the workshop was working with and developing relationships with other high performing managers. I learned from their insights and feedback in addition to the course materials and activities."

Your Takeaways

- Learn and apply a framework for advocating and leading change across the company focused on five domains of leadership excellence.
- Gain a better understanding of how you are viewed by others including your boss, team, peers, and the business.
- Increase your perspective of what it takes to be viewed by the business as a trusted partner rather than an order-taker.
- Create a leadership mandate, which includes the business reason and need, vision, and actions necessary for you to lead and implement changes to support the company strategy.
- Improve your ability to influence across the business with integrity while astutely managing key networks, organizational politics, and conflict.
- Develop a guide for how you will lead your team in an authentic and effective way.
- Establish a network of other leaders who can serve as trusted advisors and peer coaches for years to come.
- Create a personal plan for guiding your development as a leader going forward.

Framework for Stellar Leaders

You will be guided through Stellar's **Five Domains of Leadership Excellence** teaching you to **Ignite Vision, Influence Others, Inspire Team, and Implement Strategy**. You will also create your plan to **Lead Self**, the core of the framework and the North Star for you as a leader in all aspects of your life. The feedback you receive will provide you with perspective on how you are perceived by others in each domain.
